**NOT SIGNIFICANT**

Assumptions:

- The provisions of this bill will have no fiscal impact no state or local government because it concerns only vehicles that would be parked on private property. As such, the private property owner would be the individual initially contacting a private towing firm.
- There will not be a sufficient number of Class C misdemeanor prosecutions for state or local government to experience any significant increase in revenue or expenditures.
- Any other fiscal impact as a result of this bill will be borne by private parties.
